

OEM Dealer Standards Compliance

Sarmad Motors Pakistan (Pvt) Ltd · Document Code: COMP-01 · Type: compliance · Department: All Employees

Purpose

Standards required by the vehicle manufacturer for a dealership to remain in franchise, covering facility, staff, process and customer-experience audit criteria.

Effective from the first working day of the current calendar year. Reviewed annually by the document owner and revised as necessary. Version 1.0.

1. Facility

Showroom minimum area, delivery bay, workshop bay count, customer lounge, kids play area, and signage - all as per the OEM dealer manual, revision 4.2.

2. Staff Training

Every sales executive must clear the OEM's product certification before handling customers. Every technician must clear the OEM's Level-1 technical certification within six months of joining. Recertification is annual.

3. Customer Experience

Weekly mystery shopping, monthly CSI survey, and quarterly OEM audit. The branch must maintain a CSI score of 850 or above on a 1000 scale to avoid enrolment on the improvement plan.

Approval and Ownership

This document is owned by the HR department and approved by the Branch Manager. Questions or clarifications should be directed to the document owner. Non-compliance is a disciplinary matter under the HR Policy Manual.
