

Employee Handbook

Sarmad Motors Pakistan (Pvt) Ltd · Document Code: POL-01 · Type: handbook · Department: All Employees

Purpose

Company-wide handbook covering conduct, working hours, dress code, communication norms and general workplace rules for every employee at Sarmad Motors.

Effective from the first working day of the current calendar year. Reviewed annually by the document owner and revised as necessary. Version 1.0.

1. Working Hours and Attendance

Standard workshop hours are 09:00-18:00, Monday to Saturday, with a 30-minute lunch break. Front-office departments follow 09:30-18:30. Late arrivals beyond three occurrences in a month are treated as a written warning. Biometric punch-in and punch-out is mandatory for all employees; buddy-punching is a terminable offence.

2. Dress Code

Showroom and customer-facing staff must wear the issued company uniform with clean shoes and visible name-badge. Workshop staff must wear coveralls, safety shoes and gloves at all times inside the bays. Loose jewellery, open-toed shoes and non-approved head-wear are prohibited in the workshop.

3. Communication

Internal communication uses the company email and the Sarmad Motors chat tool only. WhatsApp is not authorised for customer data. Employees must respond to internal messages within one business day and to customer messages within four business hours.

4. Leave Policy Summary

Confirmed employees are entitled to 14 casual leaves, 8 sick leaves and 14 annual leaves per calendar year. Leave application must be submitted through the HR portal at least three working days in advance for planned leave. Sick leave requires a medical certificate if it exceeds two consecutive days.

5. Confidentiality

Every employee handles some volume of customer PII (CNIC, phone, vehicle chassis, address). This information may never be discussed outside the workplace, shared over personal channels, or copied to personal devices.

Approval and Ownership

This document is owned by the HR department and approved by the Branch Manager. Questions or clarifications should be directed to the document owner. Non-compliance is a disciplinary matter under the HR Policy Manual.
