

HR Policy Manual

Sarmad Motors Pakistan (Pvt) Ltd · Document Code: POL-02 · Type: hr_policy · Department: Human Resources

Purpose

Comprehensive HR policy covering hiring, probation, performance reviews, promotion, disciplinary action and separation.

Effective from the first working day of the current calendar year. Reviewed annually by the document owner and revised as necessary. Version 1.0.

1. Probation and Confirmation

New hires serve a three-month probation. Confirmation is subject to a documented probation-review meeting between the employee, the direct supervisor and HR. Probation may be extended by two months once; a second extension requires branch-manager approval.

2. Performance Review

All confirmed employees receive a bi-annual performance review in June and December. Ratings are: Exceeds Expectations, Meets Expectations, Partially Meets, Below Expectations. Ratings feed into the annual increment cycle in July and the bonus in December.

3. Code of Conduct

Employees must not accept gifts or cash from customers or vendors. Any gift over PKR 1,000 must be declared to HR within three days. Conflicts of interest, especially personal side businesses in auto parts or auto repair, must be declared in writing at joining and on any change.

4. Disciplinary Action

The disciplinary ladder is: verbal counsel, written warning, final written warning, suspension without pay, termination. Gross misconduct (theft, fraud, harassment, safety violation causing injury) skips the ladder and moves straight to termination after investigation.

5. Separation

Resignation notice period is one calendar month for confirmed employees. Exit interview, full-and-final settlement, and asset return are mandatory before the last working day. Experience certificate is issued within seven working days of clearance.

Approval and Ownership

This document is owned by the Human Resources department and approved by the Branch Manager. Questions or clarifications should be directed to the document owner. Non-compliance is a disciplinary matter under the HR Policy Manual.
