Sarmad Motors Pakistan (Pvt) Ltd · Document Code: POL-03 · Type: data_privacy · Department: All Employees

Purpose

Sarmad Motors' policy on the collection, storage, sharing and deletion of personal data belonging to customers, employees and prospects, aligned with local law and OEM standards.

Effective from the first working day of the current calendar year. Reviewed annually by the document owner and revised as necessary. Version 1.0.

1. Scope of Personal Data

Personal data at Sarmad Motors includes: customer full name, CNIC, phone numbers, email, home and office address, chassis and engine number, financing details, biometric attendance data of employees, and dashcam footage from courtesy vehicles. Every field is treated as confidential.

2. Consent

Customer consent is captured at the point of booking through a signed data-processing form. Marketing communication (SMS, email) requires a separate opt-in. Consent may be withdrawn at any time in writing; withdrawal removes the customer from all outbound marketing lists within 30 days.

3. Retention

Sales records are retained for seven years to satisfy tax and warranty obligations. Prospect records with no purchase are retained for two years. Employee records are retained for the entire tenure plus seven years post-separation. Biometric raw data is deleted after 90 days once processed into the attendance ledger.

4. Deletion

A verified deletion request from a customer removes all record fields except those legally required (invoice number, chassis, warranty history). The remainder is deleted from all systems including backups within 60 days.

5. Sharing

Data is shared only with (a) the OEM for warranty processing, (b) the authorised finance partner during loan sanction and (c) statutory bodies on written notice. Data is never shared with insurance brokers, third-party workshops, or marketing vendors.
