

Workplace Conduct Policy

Sarmad Motors Pakistan (Pvt) Ltd · Document Code: POL-05 · Type: workplace_conduct · Department: All Employees

Purpose

Anti-harassment, respect at work, and escalation channels for grievances.

Effective from the first working day of the current calendar year. Reviewed annually by the document owner and revised as necessary. Version 1.0.

1. Anti-Harassment

Sarmad Motors has zero tolerance for harassment of any kind - verbal, physical, sexual, or based on gender, religion, ethnicity, or disability. Every complaint is treated seriously and investigated by the Harassment Inquiry Committee within seven working days.

2. Respect at Work

Employees must treat colleagues, customers and vendors with courtesy. Raised voices, personal insults, and use of abusive language on the shop floor or with a customer will result in an immediate written warning.

3. Escalation Channels

Grievances may be raised with the direct supervisor first. If unresolved or if the supervisor is the subject of the complaint, employees may escalate to HR, then to the Branch Manager, then to the anonymous ethics hotline (ethics@sarmadmotors.pk).

4. Retaliation

Retaliating against a complainant, witness, or investigator is itself a terminable offence. Retaliation includes negative assignments, reduced hours, exclusion from meetings, or negative review comments correlated to the complaint.

Approval and Ownership
